## AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages,  
any unnecessary expense is an added burden on every-  
one's pocketbook—yours and mine. Forest fires cost  
money and damage our valuable woodlands. Lightning  
sets some forest fires, but we have no control of light-  
ning. Children cause many fires. Ninety-eight percent  
of our forest fires result from human carelessness—  
our carelessness. This, we—you—and I can do some-  
thing about.

When we require you to obtain a permit for out-of-  
doors burning or forbid you to burn on days of high

fire danger or set up regulations—hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you —

1. Follow the warden's directions.
  2. Secure the required burning permit.
  3. Keep your fires under control.
  4. Completely extinguish your fires before leaving them.
  5. See that your children are properly cautioned.
- Everyone will benefit by it.
